Memorandum -

Request for Transfer of Dominion Lands  
under Section 27 of the Soldier Settlement  
Act.

Re. Wesley R. Key,  
N.E. 1/4 12-30-7-W.4th. M. (S.G.)

10W  
The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreements with the Board have been rescinded.

The settler was established with loan in October, 1919, and was granted advances by the Board amounting to \$1359.25, as follows: removal of encumbrances, \$212.00; permanent improvements, \$950.00; stock and equipment, \$90.00; special advances, \$107.25. As security the Board holds a charge on the settler's soldier grant. The Board has no other land security in this case except caveat on the N.W. 1/4 13-27-7-W.4th, of which the settler was the owner.

The settler suffered very poor crops, became discouraged over conditions generally, and refused to do any more work on the farm. In 1923 he moved to Banff, where he had obtained a position. No crop was sown on the land during the years 1924, 1925, and 1926, and the settler only paid \$25.00 on account of his indebtedness during these three years. The settler's loan was finally placed in adjustment and his contracts were rescinded pursuant to a thirty day notice served on the 16th February, 1927, to which no defence was filed.

The settler's indebtedness with interest to the 1st November, 1928, is \$1564.49. The soldier grant has been appraised at \$1640.00, but the District Superintendent is by no means certain that the Board will receive that amount when the property is resold. The quarter is situated in what is regarded as the Dry Area. It has been back on our hands since February, 1927, and to date nobody has expressed any interest in it.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title, and interest of the settler, and also the right, title and interest of His Majesty to and in the said charged land be vested in the Soldier Settlement Board.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

WITNESSETH that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

WHEREAS it is in effect provided in and by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10. Geo. V., that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion land on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, (hereinafter called the Board) the Minister of the Interior, (hereinafter called the Minister), upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said title or interest of His Majesty to or in such charged land to be vested in the Board.

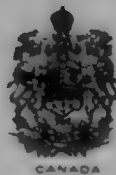

AND WHEREAS Wesley R. Key formerly of Chinook in the Province of Alberta a settler holding the following described Dominion land, viz: North East 1/4, Section 12, Township 30, Range 7, West 4th Meridian

upon the security of which the sum of \$1359.25 has been disbursed and upon which a charge has been created by virtue of the provisions of Section 26 of The Soldier Settlement Act, 1919, being in default with respect to the terms and conditions of the Agreement executed to the Board on the 31st October, 1919, in that he abandoned the land for the working, improvement and occupation of which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a request

1. *Staphylococcus aureus* (ATCC 12228) and *Staphylococcus epidermidis* (ATCC 12228) were grown in Tryptic Soy Broth (TSB) (Difco, Franklin Lakes, NJ, USA) at 37°C for 24 h. The bacterial suspensions were adjusted to a concentration of  $1 \times 10^8$  CFU/ml in TSB. The bacterial suspensions were then mixed with an equal volume of a 1% (v/v) solution of the surfactant in TSB.

Form No. 127.

DOMINION LANDS OFFICE.

I have to inform you that your entry for the

of Section 12 Township

has been cancelled for non-fulfilment of the conditions of the  
Homestead provisions of the Dominion Lands Act.

I have the honour to be,

Sir,

Your obedient servant,

To

Geo. A. Nelson, Esq.,  
C/o Messrs. Loucheed, Bennett & Co.,  
Calgary, Alberta.

4663137

CANADA  
PROVINCE OF ALBERTA  
TO WIT:

IN THE MATTER of disappearance of  
GEORGE AUGUSTUS NELSON, and  
IN THE MATTER of Homestead Entry of the  
said George Augustus Nelson for the South  
-East quarter of Section 19, Township 25-  
Range 3- West of the Fourth Meridian.

1. *Ella Nelson* NELSON, of the City of Calgary,  
in the Province of Alberta, do solemnly declare:

1. THAT the above named George Augustus Nelson, who  
made a Homestead entry for the above land, was my son, and  
he enlisted in the *31st. Battalion for Overseas service.*

2. THAT shortly after obtaining his discharge, and  
on or about the 1st. day of February 1919, the said George  
Augustus Nelson, #2115474, disappeared, and although I have  
made constant inquiries by advertising and otherwise, have  
been unable to ascertain any particulars as to what has  
happened to him, full particulars of which are on file in  
the Department of the Interior and Militia Department at  
Ottawa.

3. THAT the said George Augustus Nelson and I were  
always on the best terms, and he was always a dutiful son  
and never neglected to write to me, or to keep in  
communication with me, and he always assisted me financially  
and to the best of his power and ability.

4. THAT I am without means, but have expended large  
sums of money in endeavoring to find my son. I have not  
kept any accurate account of my expenses, but from my  
recollection I can say that it has cost me about \$350.00

to

4663137

to go to Montreal with my daughter, and further expenses of about \$30.00 in Ottawa. I also paid some \$25.00 for a detective's service in Montreal, and a further sum of \$75.00 for advertising in police and detective magazines and for the publication of photographs of my son. Also a further sum of \$25.00 or \$30.00 for photographs and circulars through the Red Cross. Besides other expenses for telegrams and otherwise, which I cannot now enumerate.

5. I have no means only what I have been able to ear at the Sunnyside Hospital for about a year at \$75.00 per month, until my health failed.

6. In the month of June 1921, I took steps to see what arrangements could be made for the fulfilling of the Homestead conditions by having breaking done on the above lands to comply with the regulations, and for that purpose instructed Mr. Brokovski, who was going on business to Oyen, to make inquiries as to what means could be adopted to have the land broken, it being my object to try to have this breaking done on a crop share agreement, and as a result of inquiry made by Mr. Brokovski, I took the matter up with Mr. & Mrs. Downey, who reside near the land in question. They made inquiries and interviewed different parties as reported to me, but I found it impossible to get anyone to arrange to do the breaking on a crop share plan, as they felt they could not be sure of ultimately sharing any benefit from the crop, and I was unable to have the breaking done and to pay the expense of so doing at the rate of \$5.00 or \$6.00

\$6. -- per acre, in addition to which I was informed I would have to be at the expense of having the stones removed for the purpose of the breaking.

7. From the whole state of facts in connection with the disappearance of my son, I have every reason to fear that he has met with foul play and that he is no longer alive. From our happy relations, I have every reason to believe that if he were alive, or in his sound mind, that he would communicate with me, and for that reason I am desirous of protecting or acquiring the above land, if satisfactory arrangements can be made for the purchase thereof.

8. If the Department of the Interior is prepared to sell the land to me, I could then take up with some person the question of borrowing the money to pay for it, as I would then be able to assure them that the money would be paid or secured.

9. It would appear that there is a charge of some \$74.51 against this land owing for school taxes.

AND I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue

4663137

of "The Canada Evidence Act".

DECLARED before me at the City

24th January, 1914.

MEMORANDUM.

Mr. Hume.

Re M. 1 - 31 - 29 - 7 - West 4th.  
Cancelled Homestead & pre-emption  
of Mr. George V. Bunnett.  
Requested & pre-emption Ira L. Shaw.

Mr. Bunnett lost his entries owing to his failure to comply with a final thirty day notice sent to him from this office on the 24th of June last. He has however, applied for reinstatement and in support of such application claims to have been in residence when cancelled.

The matter was placed in the hands of a Homestead Inspector for report. Inspector Magee visited the land on the 16th ultimo and reported that Mr. Bunnett had performed residence from the 7th of June to the 16th of December, 1913, in a house valued at \$100.00, and that during the season of 1913, he broke thirty acres valued at \$120.00. The Inspector states that the information in the settlement is that Mr. Bunnett is doing well and he follows this with a recommendation that he be reinstated.

Ira L. Shaw is the applicant for inspection and as there is no reason for doubting the information furnished by the Inspector, Shaw was guilty of misrepresentation in making re-entry on the 2nd of September last, as he stated that there was no one in residence.

Under the circumstances, I would recommend that Shaw's entries be cancelled and those of Mr. Bunnett's restored free of charge. Mr. Shaw to be refunded anything which he may have paid on account of improvements.

*C. Hume.* 24th January, 1914.

MEMORANDUM.

Mr. Hume.

Re H. 1 - 32 - 29 - 7 - West 4th.  
Cancelled homestead & pre-emption  
of Mr. George S. Bunnett.  
Homestead & Pre-emption Ira L. Shaw.

Mr. Bunnett lost his entries owing to his failure to comply with a final thirty day notice sent to him from this office on the 24th of June last. He has however, applied for reinstatement and in support of such application claims to have been in residence when cancelled,

The matter was placed in the hands of a Homestead Inspector for report. Inspector Magee visited the land on the 16th ultimo and reported that Mr. Bunnett had performed residence from the 7th of June to the 10th of December, 1913, in a house valued at \$100.00, and that during the season of 1913, he broke thirty acres valued at \$120.00. The Inspector states that the information in the settlement is that Mr. Bunnett is doing well and he follows this with a recommendation that he be reinstated.

Ira L. Shaw is the applicant for inspection and as there is no reason for doubting the information furnished by the Inspector, Shaw was guilty of misrepresentation in making re-entry on the 2nd of September last, as he stated that there was no one in residence.

Under the circumstances, I would recommend that Shaw's entries be cancelled and those of Mr. Bunnett's restored free of charge, Mr. Shaw to be refunded anything which he may have paid on account of improvements.

C. C. P.

I beg to acknowledge the receipt of your letter of the 2nd instant enclosing the original letters of Administration of the Estate of the late Erick Syverson, who, in his lifetime, held homestead and pre-emption entries for the lands above mentioned. In reply I may say that the issue of letters patent for the homestead in the name of Sophia Syverson as Legal Administratrix, will now be proceeded with and the letters of Administration will, in due course, be returned to you as requested.

It is noted that you desire to have issued for the pre-emption a Certificate of Recommendation and if the Legal Administratrix will communicate her desire to have a Certificate of Recommendation granted to her for the pre-emption to the Agent of Dominion Lands at Calgary, the necessary action will be taken and the Certificate submitted here for the signature of the Commissioner of Dominion Lands.

Your obedient servant,

R. H. L. N.

Assistant Secretary.

Dear Sir

My wife has a half section of scrip  
and in the Calgary district it is the  
4th sec. 31-25-8 west of the 4th. She filed  
it November 7th 1911. It will be due on it  
May 7th.

Mrs. Moore will be confined in July & as  
land is about 110 miles from Calgary & 65  
from Brooks (our nearest railway point)  
under the circumstances - is too far to  
go from a doctor at the present time  
& not strong at all & has been poorly  
winter & is therefore not in a fit condition  
to go to the land, but meantime I  
intend to go down & arrange to have  
20 acres broken right away & as  
soon as possible after the birth of the  
child we will move right down.

Now I would like your advice as to  
 what procedure I should take to  
 protect the claim against cancellation  
 at such time as when we can get on it  
 & which would be sometime in August  
 during the summer I will start building  
 house barns laying off.

You will probably remember my wife as  
 Miss Lodge when she was acting for her father  
 in connection with the N. E. 36 37 38. West of the  
 As for myself I was a resident of a town  
 nearly two years prior to home shading near  
 intent where I had the misfortune to have a  
 buildings burned down by a prairie fire.  
 trusting to hear from you as soon as  
 possible.

Re W $\frac{1}{2}$ . 31 - 20 - 8. W 4th - M.

I am writing you in regard to above  
and I intended to get down to it on  
Sept first but have been ill the entire  
month of August and my baby which  
came July 30th is quite sickly, which  
makes it impossible for me to live  
here this winter. The place is one  
hundred and ten miles from Castor  
which distance I would have to  
travel in a waggon, taking at least  
four days & probably more, and  
this I am in no condition to do  
so I am not able yet to be about  
the house all day.

It seems to me almost murder to  
have to take a little young babe  
away from so far at this time  
& put him in an open waggon  
up to a sparsely settled district  
especially where there are very few

own and no doctors and the  
nearest town Brooks which is sixty  
five miles from the place.

If I were feeling at all well  
and did not have a young baby  
I should not mind <sup>trip</sup> so  
much although it would be hard  
enough then with winter coming  
on soon and the nearest coal mine  
being forty five miles from the  
place. There is no wood in the  
district.

I got ten acres stoned and broken  
in June and will probably get twice  
that done next year. When we move  
there it will be to stay and to make  
a home.

I therefore humbly pray that you  
will give me the right to stay off also  
land all the first of April. By that time  
the child and myself will be  
stronger and be able to go to the place  
and live there.

I have left this matter until this date thinking that I would be able to go to my place.

If this settler should apply for his Patent before the Seed Grain Lien is completed and registered in the Land Office at

Sir,

Re W. & S. 31--25--8 W. 4th M.

I am directed to acknowledge your letter of the 2nd instant, Reference S. G. No. 44905, respecting the application for seed grain of Emma L. Moore, who holds the above half-section under South African volunteer bounty entry. This application has been recorded here.

Sir:-

I beg protection from outside claims  
judgments on my wife's scrip being the West  
half of section Thirty One (31) Township Twenty Six (26)  
Range eight (8) west of the 4th. Rd.

We had a very bad year 1914. Had a total  
crop failure in grain also garden stuff  
& have absolutely nothing to sell or realize on.

We were hauled out in 1913 & then again  
this year dried out, we wish to stay with the  
farm & try another year & have applied for seed  
as all others have done in this district.  
We owing to necessity, availed ourselves of  
Government's generous relief aid by getting  
the necessities of life, fuel, etc. to tide us over  
winter. This is, of course charged up to be  
paid & has first claim on same. Thus my  
request. We have been threatened by one party  
to whom we owe some money, said party is  
a widow by name Mrs E. A. Tozer who has a section  
of land left to her by her husband also a quarter section  
there (homestead) in her own name, also near Wisk P.O.  
Albata, crops in that district were fairly good

Wings having a good acreage in crop  
is not in want or need.

We have sent Mr. L. a renewal note  
in payment of debt for another year Dec. 1st  
which gives us a chance to try another crop  
& also raise money by my working out.

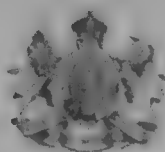

Our intentions are to meet this obligation  
or any other when in a position to do so  
but owing to circumstances mentioned we  
cannot do so this year.

Trusting that you can help us in this matter  
thanking you in advance.

Yours truly

Sir,

*up to 11/2/15*

I am directed to inform you in reply to your letter of the 18th instant that although an entrant for Dominion lands who has not yet received letters-patent therefor, has no interest therein which can be sold under writs of execution or the like, such writs as well as liens, mortgages and other encumbrances may be recorded against the lands. They will become effective as against the lands, after the issue of letters-patent therefor.

You should consult a lawyer in good standing who is practicing his profession in the Province of Alberta in which Mrs. Moore's lands are situated. Possibly an Act has recently been passed by the Legislature of that Province which relates to the subject of your letter.

I am, Sir,

Your obedient servant,

Dear Sir:

Your letter Sept 10th received  
re collections on seed grain, etc.  
In regard to land would say  
that I only threeched twenty acres  
and thirty in crop but ten acres  
was cut green for feed as it was  
late coming in & the yield from  
the twenty acres will not near  
meet our obligations this year.  
I got some machinery two years  
ago, also horses, & these years ago  
the people are now wanting their  
money & are worrying the life out  
of us, ~~for that money~~ having  
carried for two years when crops  
were failures, now that a crop  
has come they want their all.  
I cannot possibly do it out  
in this amount of grain.

He was told by the Press in the west here that this grain relief was given without interest for one year payable April 1st 1916 & after that one year @ 5%.

I am trying to ~~fast~~ get a loan if successful could meet everything & come out O.K.

So if you could allow me an extension of time to get in a few loads to pay off older account now I could probably manage to pay the half of grain at later then prices are higher. Just now here is not steady, once as you are aware some morning it is 78¢ next day it is down to 70¢ to 71¢ & so it goes on.

If you would kindly send me a letter stating that you would allow an extension & that a/c was not to be taken out till say Dec 1st that would allow me time to get in a few loads & pay things that are pressing. This letter I could show to any elevator man & thus be able to have a full cheque.

3.  
I see it would for me time to  
put through a loan.

Thanking you in anticipation  
for a favorable reply.

Yours truly,

Wm. P. Moor.

Sir:-

Replying to your letter of October 28th, I beg to advise you that it is not the intention of the Government to interfere in any way with the Thresher's rights or liens, or to use any pressure as to when you should market your crop. This ought to leave you in a position to arrange your own finances to suit yourself. In addition to this the Government is only asking for payment of one-half of the Seed Grain, which in your case, I should think, would not be a very difficult matter.

Your obedient servant,

Commissioner.

Sir,-

Mer.

Referring to your application for the privilege  
of taking up a second homestead, I beg to inform you that  
during the recent session of Parliament an amendment to the  
Dominion Lands Act was passed granting those settlers, who  
had obtained patent, or who had become entitled thereto on  
or before the 1st January, 1928, the right to make a second  
homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained  
patent for the quarter section above described, and provided  
this is the only land for which you have obtained homestead  
patent, you are entitled to another homestead, and the pre-  
sentation and surrender of this letter to any Agent or Sub-  
Agent of Dominion Lands will be his authority for granting  
you homestead entry for any vacant and available quarter  
section of Dominion Lands on the usual terms, provided he is  
aware of no reason to the contrary.

I may further inform you that the holder of an  
unpatented pre-emption or purchased homestead entry will not  
be permitted to abandon the same in his own favour or in  
favour of a relative for the purpose of making entry for the  
land as a second homestead.

If you are indebted to this Department for seed  
grain or relief, the land taken under the authority of this  
letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner  
of Dominion Lands.

Dear Sir:

Re: W-31-25-3-West 4th Meridian  
Erma Lodge Moore--Joint Relief.  
-----

The above party in 1920 obtained a Joint Relief Advance of one hundred and one dollars and forty-five cents (\$101.45) against which no repayment has been made the balance now outstanding being one hundred and seventy-eight dollars and thirty-seven cents (\$178.37).

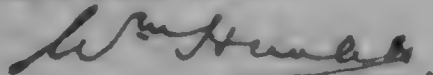

As security for this advance liens were filed on the W-31-25-3-4, but have now been wiped out by foreclosure action proceeded with by the Netherlands Investment Company of Canada.

Apparently the debtor was unable to succeed in her farming operations in this part of the Province due to drought and moved therefrom, her present whereabouts being unknown.

As all security has been lost and there is no possibility of making any recovery from the individual I would recommend that this account be written off.

Provincial seed grain advances in the amount of eight hundred and thirty dollars and fifty-seven cents (\$830.57) have been cancelled.

Yours very truly,

JOINT RELIEF COMMISSIONER.

Mr. A. Bouter,

Dear Sir:

Re: John S. Moore - Joint Relief  
79-31-25-2-4-1st 4th Meridian.

The above party obtained the following  
advance for Joint Relief:

|                         |                  |
|-------------------------|------------------|
| December 29, 1919       | \$ 96.95         |
| Interest to March 31/21 | <u>75.58</u>     |
|                         | <u>\$ 172.53</u> |

As security for the above advance the debtor gave a lien on the 79-31-25-2-4 under Power of Attorney from Mary L. Moore in whose name the title stood. In 1925 the Netherlands Investment Company of Canada, Limited proceeded with foreclosure action and obtained title to the land wiping out the lien. For some time after this the debtor leased the land and endeavored to carry on his farming operations, but was unable to do so due to continued drought conditions. He eventually moved from that part of the Province, his present whereabouts being unknown.

As no security is held for this account and there is no possibility of making recovery from the individual I would recommend that same be written off.

Dear Sir:

Re: W<sub>2</sub>-31-25-8-West 4th Meridian  
Emma Lodge Moore--Joint Relief.

-----

The above party in 1920 obtained a Joint Relief Advance of one hundred and one dollars and forty-five cents (\$101.45) against which no repayment has been made the balance now outstanding being one hundred and seventy-eight dollars and thirty-seven cents (\$178.37).

As security for this advance liens were filed on the W<sub>2</sub>-31-25-8-4, but have now been wiped out by foreclosure action proceeded with by the Netherlands Investment Company of Canada.

Apparently the debtor was unable to succeed in her farming operations in this part of the Province due to drought and moved therefrom, her present whereabouts being unknown.

As all security has been lost and there is no possibility of making any recovery from the individual I would recommend that this account be written off.

Provincial seed grain advances in the amount of eight hundred and thirty dollars and fifty-seven cents (\$835.37) have been cancelled.

Yours very truly,

CHIEF COLLECTOR.

Mr. A. Scutter,

Joint Grain & Relief Adjustment Board,

Dear Sir:

Re: John L. Moore - Joint Relief  
W-31-25-2-Test 4th Meridian.The above party obtained the following  
advances for Joint Relief:

|                         |                  |   |
|-------------------------|------------------|---|
| December 23, 1912       | \$ 13.95         | ✓ |
| Interest to March 31/31 | 73.55            |   |
|                         | <u>\$ 172.53</u> | ✓ |

As security for the above advance the debtor gave a lien on the W-31-25-2-4 under Power of Attorney from John L. Moore in whose name the title stood. In 1934 the Netherlands Investment Company of Canada, Limited proceeded with foreclosure action and obtained title to the land wiping out the lien. For some time after this the debtor leased the land and endeavored to carry on his farming operations, but was unable to do so due to continued drought conditions. He eventually moved from that part of the Province, his present whereabouts being unknown.

As no security is held for this advance and there is no possibility of making recovery from the individual I would recommend that same be written off.

1. The first step in the process of land reclamation is the selection of suitable land. This is done by the government, which has the authority to acquire land for public use. The land is then surveyed and divided into plots. The next step is the construction of infrastructure, such as roads, bridges, and water supply systems. This is followed by the construction of housing and other buildings. The final step is the settlement of the population. The government provides the land to the settlers, who are responsible for the construction and maintenance of the infrastructure and buildings. The settlers are also responsible for the payment of taxes and other fees. The process of land reclamation is a complex one, involving many different steps and a large amount of resources. However, it is a necessary step in the development of a country, as it allows for the creation of new land and the settlement of the population. a sufficient extension of time to enable him to go on the place in the spring of 1915.

This being the case of a deceased entrant, no residence is required, cultivation being the vital factor. I suppose, however, if the father of the deceased entrant is prepared to go upon the land by the 1st of April, the proceedings might then be held over until the 1st of July, to enable him to break, say, twenty acres.

If he does not go upon the land, there would seem to be no use in protecting the entry until the 1st of April as it would be impossible to do any breaking prior to that date; therefore, in any event, if any extension of time is granted, it should be until the 1st of July, 1915.

MEMORANDUM:-

Mr. Hume.

DE. of 10-24-12-W.4th M.  
Homestead, James T. Somers,  
(deceased).  
Entry granted, 9th Aug. 1913.

The question in this case is whether the entry should be cancelled or whether the entrant should be granted a further extension of time within which to place himself in good standing with respect to his settlement duties.

Cancellation proceedings were instituted against Mr. Somers' entry on the 15th May, 1914.

On the 22nd May, 1914, the Northern Trust Co., notified the Agent that the entrant was deceased and filed Letters of Administration of the latter's estate.

Owen Somers, father of the deceased entrant, filed a statutory declaration dated the 11th July last, that nothing has been done upon the land in the way of settlement duties.

A report was received from a Homestead Inspector dated the 26th September, in which it is set out that there were then no improvements of any kind upon the land.

The Manager of the Northern Trust Company was then asked to state what his Company was prepared to do in connection with this case.

The Manager of the Company in question has now forwarded a statutory declaration from Owen Somers that nothing has been done upon the land in the way of improvements, but asks for

Mr. King enlisted for active service on the 14th of January, 1916, and was struck off the strength of the Canadian Expeditionary Force on the 19th of March, 1919, (demobilization).

Messrs. Taylor, Moffet, Allison & Matham, have communicated with the Department on different occasions with a view to securing patent for this land without the performance of further settlement duties.

 Returned in March 1919 after continuous service in France from June 1916, having gone overseas in April 1916. In hospital almost continuously until June 31, 1920. Tickness on the coming home made it impossible to spend money to have the necessary cultivation performed & over the winter, for which a provision is being received, preventing the work being done personally. Also any matter of last few years has made farming an impossibility in the district. With patent & a few good pigs it might be possible to have a neighbouring farmer do cultivation on shares.

the matter of the title to the South-west Quarter of Section 27, Township 11, Range 12, T11 of the Fourth Meridian.

I, FRANCES E. McDONALD, of the

of Calgary, in the Province of Alberta, Wilson,

do solemnly declare that I was born at Taverly, in the State of Iowa, one of the United States of America, on or about the 13th day of October, A.D. 1881, and subsequently, on or about the 15th day of July, A.D. 1904, I was married to Francis E. McDonald who was a British Subject at that time and was, I understand, always been a British Subject.

That I have been advised since the date of my marriage and verily believe that I took the nationality of my husband.

That since the departure of my husband I have always resided in Canada and am still residing in the Dominion of Canada and I have been advised that I am a British Subject at the present time.

That I believed my father was a British Subject, although residing in the United States of America, at the time I was born, although he may have subsequently taken out his papers in the United States of America.

That at the time I made application for entry to this land I was of the opinion that being born in the United States of America made me an American citizen, but I have subsequently been advised and verily believe that I was mistaken in this statement.

and I make this solemn declaration conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath, at my residence at Calgary, Alberta, Canada.

Witness my hand and seal this

day of

at Calgary,

Alberta, Canada.

1. The first of these is the fact that the majority of the population of the United States is now living in urban areas. This is a result of the process of urbanization, which has been going on since the beginning of the 20th century. The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950, and the majority of this increase has been in urban areas. This has led to a concentration of population in a few large cities, which has in turn led to a number of problems, such as overcrowding, pollution, and traffic congestion.

Rept of the Interior  
Beltrami Co. Minn.

Dear Sir,

I have been reluctant  
to write your office as regards making a change  
in land taken up by me last April.

This a mistake or misunderstanding, I find  
I have made only when the S.W. 1/4 of Sec 9-24  
- 8 - of the 1st Twp. Now I supposed I had the  
S.E. 1/4 of the same section & this taken as a  
presumption. My constant is the N.W. 1/4 of Sec 9  
and I did not know of mistake until some  
time later.

I took the matter up with  
the land office when returning to them my  
presumption receipt. They advised me that  
I must wait the Rept. of Ottawa, saying they  
could not sign without consent.

Please advise me as to how I must act in  
this matter. The S.W. 1/4 of 9 is very rough and  
not considered titlable while the N.E. 1/4 is  
very good and I sincerely supposed I had the  
latter piece of land until my attention  
was drawn to the matter by a friend who

II

located me. If it is needed I can get the  
same statement of this party and then to  
leave I intended the 1/10. See 9 as my holding.

I am prepared to and in fact do, abandon  
the S.W. 1/4 of Sec 9 in exchange for the N.W. 1/4  
of Sec 9.

And now with this come against which  
to be done - extension of time until  
spring. On account of the recent forest fires I  
find myself so set back that it has been  
impossible to make the move as I had  
intended doing. we had been threatened with  
these same fires ever since - just

These matters I trust you may consider  
favorably. Now thanking you in advance  
for all consideration you may allow me.

I beg to remain yours truly.

MEMORANDUM.

On the 20th April, 1910, Mr. Ernest J. Tucker was granted homestead entry for the N.W. 1/4 and pre-emption entry for the S.W. 1/4 of 9--24--8--W. 4th Meridian.

Mr. Tucker claims that this was a mistake and that he intended to make pre-emption entry for the N.E. 1/4 of the section mentioned.

The S.W. 1/4 is stated to be very rough and practically unfit for cultivation.

The N.E. 1/4 is vacant and adjoins Mr. Tucker's homestead.

In view of Mr. Tucker's representations I would suggest that his pre-emption entry for the S.W. 1/4 be transferred to the N.E. 1/4 free of charge.

Respectfully submitted,

DOMINION LANDS OFFICE

POSTING OF LAND, OTHER THAN SOLDIER SETTLEMENT LAND

Calgary, March 19, 25.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the **30th March** 19**26** the **S.W.** **1** of Section **9** Township **24** Range **8** West of the **4th** Meridian will be available for entry, providing the land is of the class suitable for farming and is unoccupied as follows—

(1) On the day above mentioned, that is on the morning of the **30th March, 1926** By a settler as defined by the Soldier Settlement Act, eligible to make entry, who holds an adjoining quarter section under homestead or Soldier Grant Entry, or who obtained homestead patent for such adjoining quarter section and is still the owner thereof, or was a squatter before survey on such quarter section.

(2) On the following day, that is on the morning of the **31st March, 1926** For ordinary homestead entry by returned soldiers who have served Overseas and who produced evidence of honourable discharge. For soldier grant entry by any "settler" as defined by the Soldier Settlement Act upon production of Attestation Certificate or a telegram or special letter from the Soldier Settlement Board establishing eligibility—see other side.

(3) After one day has been allowed for priority under paragraph one and the succeeding day under paragraph two, then the next day, that is, on the morning of the **1st April, 1926** By general public, including civilians and returned soldiers.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be \$10.00. According to evidence on file in this office there are improvements upon the land stated to be worth \$12.00.

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant, he must declare what improvements, if any, there are upon the land for which he applies, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over \$25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INTEREST CHARGED AGAINST THE LAND

The following indebtedness is charged against this land: **\$60.41** The amount collected for improvements is not sufficient to meet this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness for public rates at office.

With reference to your letter of the 4th May last and the accompanying report I beg to advise - in view of the fact that the Lienor's entry to the S.W.1/4, given as security for the seed grain advanced in 1919, has been cancelled, and as his present whereabouts cannot be ascertained - that future statements in connection with his account amounting to \$50.00 with interest at 7% from 12th May, 1919, will not be issued pending re-entry for the land subject to the indebtedness, or information as to the Lienor's location.

I may add that this man is also indebted for Fodder and Relief advanced by the Provincial Authorities in 1920, 1921 and 1922 on the security of the S.W.1/4, title to which is now held by the Holland-Canada Mortgage Company, Limited, of Winnipeg. I am unable to state whether or not these advances are registered against title, and for further information in connection therewith it would be well to apply to the Deputy Minister of Municipal Affairs at Edmonton, Alberta.

In answer to your letter of the 15th instant with reference to the second paragraph of my letter to you of the 4th idem I beg to enclose herewith a statement of the outstanding Provincial advances made on the security of the N.W. 1/4 to Mr. Kirkpatrick in 1920-21-22. The securities taken were issued under forms used by the Provincial Government for advances on patented land. I am, therefore, unable to furnish you with copies of the same. In reply to your letter of the 17th instant, I beg to advise you that the abstract of title on file is as to Dominion Seed Grain liens, only, and does not show other registrations. However, according to information on file, it is probable that the mortgage which was foreclosed, resulting in title passing to the Dominion Canada Mortgage Company, was registered in 1917, and that a foreclosure would eliminate the Dominion Seed Grain liens in question.

In regard to the second paragraph of your letter, I beg to state that there has been no change in the practice of the Department in reference to these liens taken under the 50% Agreements with the Provinces, and that collection of same is in the hands of the Province, unless payment is voluntarily tendered or collection is made from a new entrant on unpatented Dominion lands, and my letter of the 27th July was in error in this regard.

The figure consists of two separate line graphs. The left graph plots 'Rate of reaction' on the y-axis against 'Temperature (°C)' on the x-axis. The curve starts at a low rate at 10°C, rises to a peak at 30°C, and then declines at 40°C. The right graph also plots 'Rate of reaction' on the y-axis against 'Temperature (°C)' on the x-axis. This curve shows a steady, exponential increase in the rate of reaction as the temperature rises from 10°C to 40°C.

Dear Sir:

Re: S.W. 9-24-8-W4

This Department has an old account against the above noted land for advances of seed grain to W.H. Kirkpatrick in 1917. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Yours very truly,

Encl.

This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of W.H. Kirkpatrick  
S.W. 9-24-8-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to \$66.00 was advanced to W.H. Kirkpatrick on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 66.00         | \$ 151.91       | \$ 217.91    |

The S.W. 9-24-8-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 3rd of February 1926, and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 3rd of July 1952, J.H. Tedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

MEMORANDUM

MR. HUMAN:-

RE. E. of 35--32--14, W4thM.  
Hd. & Pre. of Hugh McLaren,  
Entries granted, 19th July, 1915.

I am submitting this matter in accordance with instructions contained in the Deputy Minister's memorandum of the 11th of May, 1914, (Marked) stating that in the event of Mr. Thomas Wm. Herman's entries for this land being cancelled and any money being paid by the re-entrant on account of improvements, no disposition was to be made of such money without first referring to his office.

Mr. Herman's entries were cancelled on the 9th of July last, and the land disposed of again to Mr. Hugh McLaren who has paid the Homestead Inspector's valuation of the improvements, namely, \$35.00.

I may add that there is evidence on file to show that Mr. Herman was heavily in debt. A certified copy of Certificate of Judgment in the matter of the suit instituted by Mr. Charles E. Brown to recover the amount of his claim for \$252.25 with costs, has been filed in the Department and will be found with the papers hereunder. Messrs. Blois & McDonald, Barristers of Hanna, Alberta, are acting for Mr. Brown in the matter.

We have also had correspondence from Messrs. Clarke, McCarthy, Carson & McLeod, Barristers of Calgary, Alberta, in regard to other claims against Mr. Herman, but as there is no evidence of a further judgment nor of an assignment by Mr. Herman, I presume that the Department might recognize the judgment awarded to Mr. Brown and pay into Court the amount, namely, \$35.00, which has been collected for improvements.

When I filed no improvements were done on the place but by the time that I got possession (about Aug 1910) Hart had broken 15 acres and built a shack with 25<sup>00</sup>. I thought it right to pay for Hart 110<sup>00</sup> for improvements and 5<sup>00</sup> for household effects. Hart asked for pay for his improvements. It will be very hard for me to get away to do any time on my pre-emption as men are very scarce here. It is most impossible to get help but if it is possible to arrange it so that I can continue here, or if it would be any more satisfactory I will try to raise cash & apply for the same on the pre-emption. Please let me know at once.

The population of the United States has increased from about 100 million in 1900 to over 200 million in 1950. At the same time, the population of rural areas has decreased from about 100 million in 1900 to about 50 million in 1950. This has led to a concentration of the population in urban areas, which has had a number of important consequences. One of the most important is that it has led to the development of a new type of urban organization, which is based on the concentration of population in a few large cities. Dear Sir:-

Enclosed I have your certificate of Death #58, Kenneth James Smith, who died at Fort Osborne Barracks, Winnipeg, Manitoba, on the 11th of March, 1913. His father G. H. Smith of Saskatoon, Sask., desires this to be sent to you, to complete some land transfer.

On the 7th of June, 1917, I sent you Certificate of Birth #926, of Kenneth James Smith, and Mr. Smith Sr., states that you have not received this. It was properly addressed and should have gone to the department dealing in Households.

Please acknowledge receipt of this certificate, and oblige.

Yours truly,

The western landowners have  
been made up the land, and the  
tenanted was in active service at the  
time of his death. I think that the  
landowner might, in a special case,  
be permitted to purchase the land at a  
low rate.

Under the Act, as the entrant died in Active Service, patent could be issued forthwith in the name of the deceased in favour of the Administrator, on receipt of the proper Certificate of Death. No formal application for patent is required.

On the 19th May, I visited the Circular Branch of the Militia Department and was informed that during the early part of the war when an entrant was killed before going overseas, no report was sent to Headquarters here, but that the report was made to the commanding officer for the district. Notwithstanding, the Militia Department was requested to make an enquiry and furnish a report, and the report on the 1st instant that the officer for the district was written to on the 14th July and that probably it would be about six weeks before he was heard from.

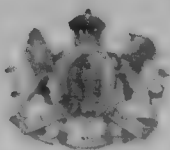

A few days ago, the Provincial authorities furnished a Certificate of Death stating that the entrant was a soldier, who died at Fort Osborne Barracks on the 21st March, 1915. This Certificate and the Certificate of the Commanding Officer for the district, dated 31st March, 1915, is sufficient evidence for the entrant's death, and I do not think that further evidence in this regard is required, and if the case were satisfactory in other regards, patent would need to be issued and patent could be issued forthwith in favour of the Administrator.

The trouble is that at the request of the Administrator, the Provincial authorities have furnished a Certificate of Death stating that the entrant was only 17 years, 6 months and 15 days old when he died (1915). His entry is, therefore, illegal and will not hold and will have to be cancelled in the records.

Deceased.

Date of entry - 6th Feb. 1913.

This is an unusual case. The  
entrant performed certain settlement  
duties, then enlisted and died while in  
Active Service, and the legal representa-  
tive, who has applied for patent, now  
furnishes a Birth Certificate showing  
that the deceased was only 17 years, 4  
months and 19 days old when he obtained  
entry.

The deceased secured entry on  
the 6th February, 1913, and according to  
a Certificate signed by the Officer Com-  
manding Depot Squadron, Winnipeg, Manitoba,  
dated 31st March, 1913, the deceased enli-  
sted with Lord Strathcona's Horse on the 12th  
February, 1913, and served until his death  
on the 24th March, 1913.

It appears from a newspaper  
clipping that the entrant dropped dead from  
heart disease while training with a comrade.  
This happened about six weeks after his  
enlistment.

The father, who has been appointed  
administrator of the estate, (Letter of  
Administration to file) made an application  
for patent on the 11th March, 1913.  
The application shows that while enli-  
sted, the entrant performed the duties of  
residence with a brother in the company  
and that all his obligations were satisfied
